Anatomy of the Classic Mini Mark Huthert 2020-02-21 The Mini's long production life saw many model changes, and literally thousands of component changes, making choosing and assessing the correct part for a classic Mini very difficult. This book is the result of years of research, and comprises almost 2000 photos showing these component variations, with captions explaining which Mini model and date each was originally designed for. With no German parts listed, this book is an essential volume for all restorers of classic Minis looking for true authenticity, and an invaluable reference source.
