American Military Life in the 21st Century

This reference work provides detailed information on the issues U.S. service members face both stateside and during deployments overseas. Issues covered include relations with family; substance use; housing; educational and job training opportunities; post-traumatic stress

disorder and other health issues; and experiences of women, sexual minorities, and ethnic/racial minorities in the armed services. This set also examines major issues related to military service for people close to the men and women who serve our country, such as spouses or partners, children, and parents grappling with such issues as single parenthood during deployment and bereavement at the loss of a loved one. Finally, this set is a valuable resource for people seeking a greater understanding of the issues that confront some military service members and veterans, from chronic health problems to economic vulnerability to suicide to incarceration. The two volumes are written in a comprehensive yet succinct and accessible style by experts familiar with the latest trends and findings.

One Soldier Dillon Hillier 2016-10-11 The instant national bestseller. Dillon Hillier, a corporal with the Princess Patricia's Canadian Light Infantry, returned home from a tour in Afghanistan and

started up a normal life. But when ISIS insurgents began attacking local populations in Iraq and elsewhere, Hillier, a long-time soldier, felt he had to join in the action, so he sold his truck, lied to his parents about where he was going and became the first Canadian to volunteer to fight ISIS in Iraq For three months, Dillon accompanied the Kurdish army as they fought a series of battles against the Islamic State throughout northern Iraq. During his mission, Dillon saw combat, experienced life in the trenches, partnered with a former US Marine, had a bounty placed on his head and learned an important truth: that in the chaos of war, the difference between life and death is measured in inches, and some things can never be forgotten. First Volunteer is about Hillier's three months fighting with the Kurds in Iraq, on the front lines. The only reason Dillon's tour wasn't longer was because the government wanted him back home, safe and sound.
