**Automotive Service: Inspection, Maintenance, And Repair, 2e + Natef Jobsheets A1-a8** Tim Gilles 2004-01-01 Written by an ASE Master Technician and Master Machinist, the second edition of our popular "Automotive Service: Inspection, Maintenance and Repair" book has been thoroughly reviewed for technical accuracy to go along with the hundreds of all-new, full-color photographs that have been added to maintain the reader's interest and improve comprehension. The book begins by introducing readers to a number of automotive career options, shop management basics, plus necessary tools and equipment. Subsequent chapters examine the theories underlying the operation of vehicle systems while equipping readers with step-by-step procedures for troubleshooting and repairing all major systems of the modern automobile. Competency-based objectives, key terms lists, activities correlated to the companion Lab Manual, plus numerous review questions call attention to important concepts presented in each chapter. Shop Tips, Safety Notes, Case Histories, Cautions, and Notes are also included as helpful sign posts for readers working to acquire the system knowledge and the critical thinking skills needed to effectively inspect, maintain, and repair all make and model vehicles.
