Connections: A Lectionary Commentary for Preaching and Worship Joel B. Green 2019-09-17 Designed to empower preachers as they lead congregations to connect their lives to Scripture, *Connections* features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary. This nine-volume series offers creative commentary on each reading in the three-year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture, film, fiction, ethics, and other aspects of contemporary life. Commentaries on the Psalms make connections to the other readings and to the congregations experience of worship. *Connections* is published in partnership with Austin Presbyterian Theological Seminary.
