math aligned to the new
"common core" state standards
Week-by-week study plans
support use as "summer
bridge" program for children
entering Grade 3 Drill and
practice to reinforce learning
Market / Audience The market
for these books consists of
parents who are anxious
because their children have to

take NCLB tests or because their children are falling behind in school. Other parents will buy the books simply because their children need or want additional practice to reinforce school-taught skills. Sales for this type of workbook always peak in late spring when parents look for "summer bridge" study aids. A week-by-week summer study plan included in the book supports this use.

Kaplan Making the Grade

1999 Make Learning Fun and More Effective. The Making the Grade books published by SCORE! are excellent tools for you to help your child build the necessary skills and confidence to perform well in school and meet the tough, new academic standards enacted by many states. Using SCORE!'s motivational teaching methods, the books includes: * a thorough review of key 7th- and 8th-grade subjects * hundreds of skill-building activities * effective strategies to help improve test-taking abilities * tips on how you can

positively affect your child's success in school * a special section from the test preparation experts at Kaplan on helping your child prepare for standardized tests Most important, this unique book outlines how you can foster a lifelong love of learning in your child. Making the Grade: Grades 7-8 lays a solid foundation for future success in school -- and in life.
