With easy to understand lessons and over 230 practice test questions designed to maximize your score (plus essay sample questions), you'll be ready. While there is no passing or failing with the COMPASS test, you don't want to waste time - and money! - in introductory or remedial college courses. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the COMPASS but realize too late when they get their score back that they were

not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the COMPASS...and they get a variety of results. Trivium Test Prep's *Secrets to Outsmart the COMPASS* provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the COMPASS exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our COMPASS study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam;

COMPASS practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.
